Lykins makes 2007 Deloitte Cincinnati USA 100 Listing

Lykins was recently honored as a 2007 Deloitte Cincinnati USA 100 company, one of the most prestigious designations available to private companies in the tristate. Presented by Deloitte & Touche USA LLP, the Cincinnati USA Regional Chamber, and *The Cincinnati Enquirer*, the program honors 100 of the area's largest private companies for their success and contributions to our community.

The Deloitte Cincinnati USA 100 emphasizes the role organizations like Lykins play in the local economy. Last year, for example, the Deloitte Cincinnati USA 100 companies generated \$24.2 billion in revenues and employed 92,400 people. To put this plateau into perspective, consider that in 2002, combined revenues were \$14.8 billion and employment was 70,800. Clearly our private businesses have been a driving force in keeping our economic base strong.

"The Deloitte Cincinnati USA 100 not only pays tribute to the individual success of these companies, but to the vital role they play in our economy. Whether its anchoring our economy with time-honored business practices or pioneering new opportunities, the contributions of these companies are essential to the well-being of our community," said Frank Leggio, Partner, Deloitte & Touche LLP.

"We are proud to present this distinguished program each year and we are honored to acknowledge the outstanding achievements of businesses such as Lykins."
